Ek Nayi Shuruaat

"We are very excited to launch NeoHomes in Bhandup. It combines convenience & affordability in the best way possible. With the Metro line 4 set to come in, Bhandup is poised for a tremendous transformation"

- **Chetan R Shah** Vice Chairman, Marathon Group
M.S in Structural Engineering, University of Houston, USA

"We wanted to create a product which best suits the current requirement of people within the city. With NeoHomes people get all the advantages of a modern urban living, within the city & at affordable prices from a trusted brand"

- **Mayur R Shah** Managing Director, Marathon Group
MS in Structural Engineering, University of Oklahoma, USA

"With NeoHomes, Marathon group enters a brand new chapter in it's journey to create affordable homes for everyone. A seamless mix of brilliant product design and right pricing makes NeoHomes a perfect product for a first time home buyer"

- **Kaivalya C Shah** Director, Marathon Group
BE in Structural engineer, University of California, USA

"A city like Mumbai desperately needs a large supply of branded, high-quality affordable housing, and that's the gap the NeoHomes aims to fill and we are heartened by the terrific response to the product so far."

- **Samyag M Shah** Director, Marathon Group
B.Sc - Economic Science, University of California San Diego, USA

"We have an ambitious vision for transforming Bhandup into a residential hub with over 5000 homes already being planned and 100 acres of potential development."

- **Parmeet M Shah** Director, Marathon Group
B.A. - Economics, Yale University M.S. - Columbia University, USA

Why NeoHomes?

Right price & flexible payment options

Fair and transparent pricing means that NeoHomes are superb value for money. Find the perfect payment plan from various options.

Smart Floor Plans

Super efficient, flexible floor plans that let you do more with less. Compact, but with possibilities limited only by your imagination.

Marathon Trust

Experience of 53 years in the industry. One of the most trusted names in the city committed to delivering a seamless home buying experience.

Sensible Amenities

All the amenities for you to keep up an active lifestyle without burdening you with higher maintenance costs.

Highest Quality Construction

The highest quality raw materials, premium finishes, advanced MIVAN aluminium formwork & industry best practices resulting in rock solid structures.

Future proof location

Just 10 minutes from Bhandup station. The upcoming metro and new road constructions are set to transform Bhandup. Neo Homes will be right at the centre of it all.

Bhandup ka naya roop

Bhandup enjoys an excellent location within the city with good rail and road connectivity and the greenery of the national park to the west, yet the property rates are lower than the surrounding suburbs of Mulund, Kanjur Marg, Powai and even Thane. With large slum rehabilitation projects now underway, and with the metro set to come soon, Bhandup is set to transform.

Marathon Group has an ambitious vision to help create a New Bhandup with over 5000+ homes being planned in Bhandup over the next few years.

7+ acres
under development

30+ acres
in the pipeline

100+ acres
of potential development

View of Vihar Lake from Bhandup

Excellent location

NeoSkies enjoys great road & rail connectivity

5 mins from
LBS Marg

10 mins from
Bhandup station

2 mins from
nearest bus stop

Promising future

Bhandup is set for tremendous future growth

Metro Line 4

The Metro will connect Kasarvadavli in Thane to Wadala along the LBS road. Shangrila and Sonapur stations are being planned in close proximity to the project, with work well under-way.

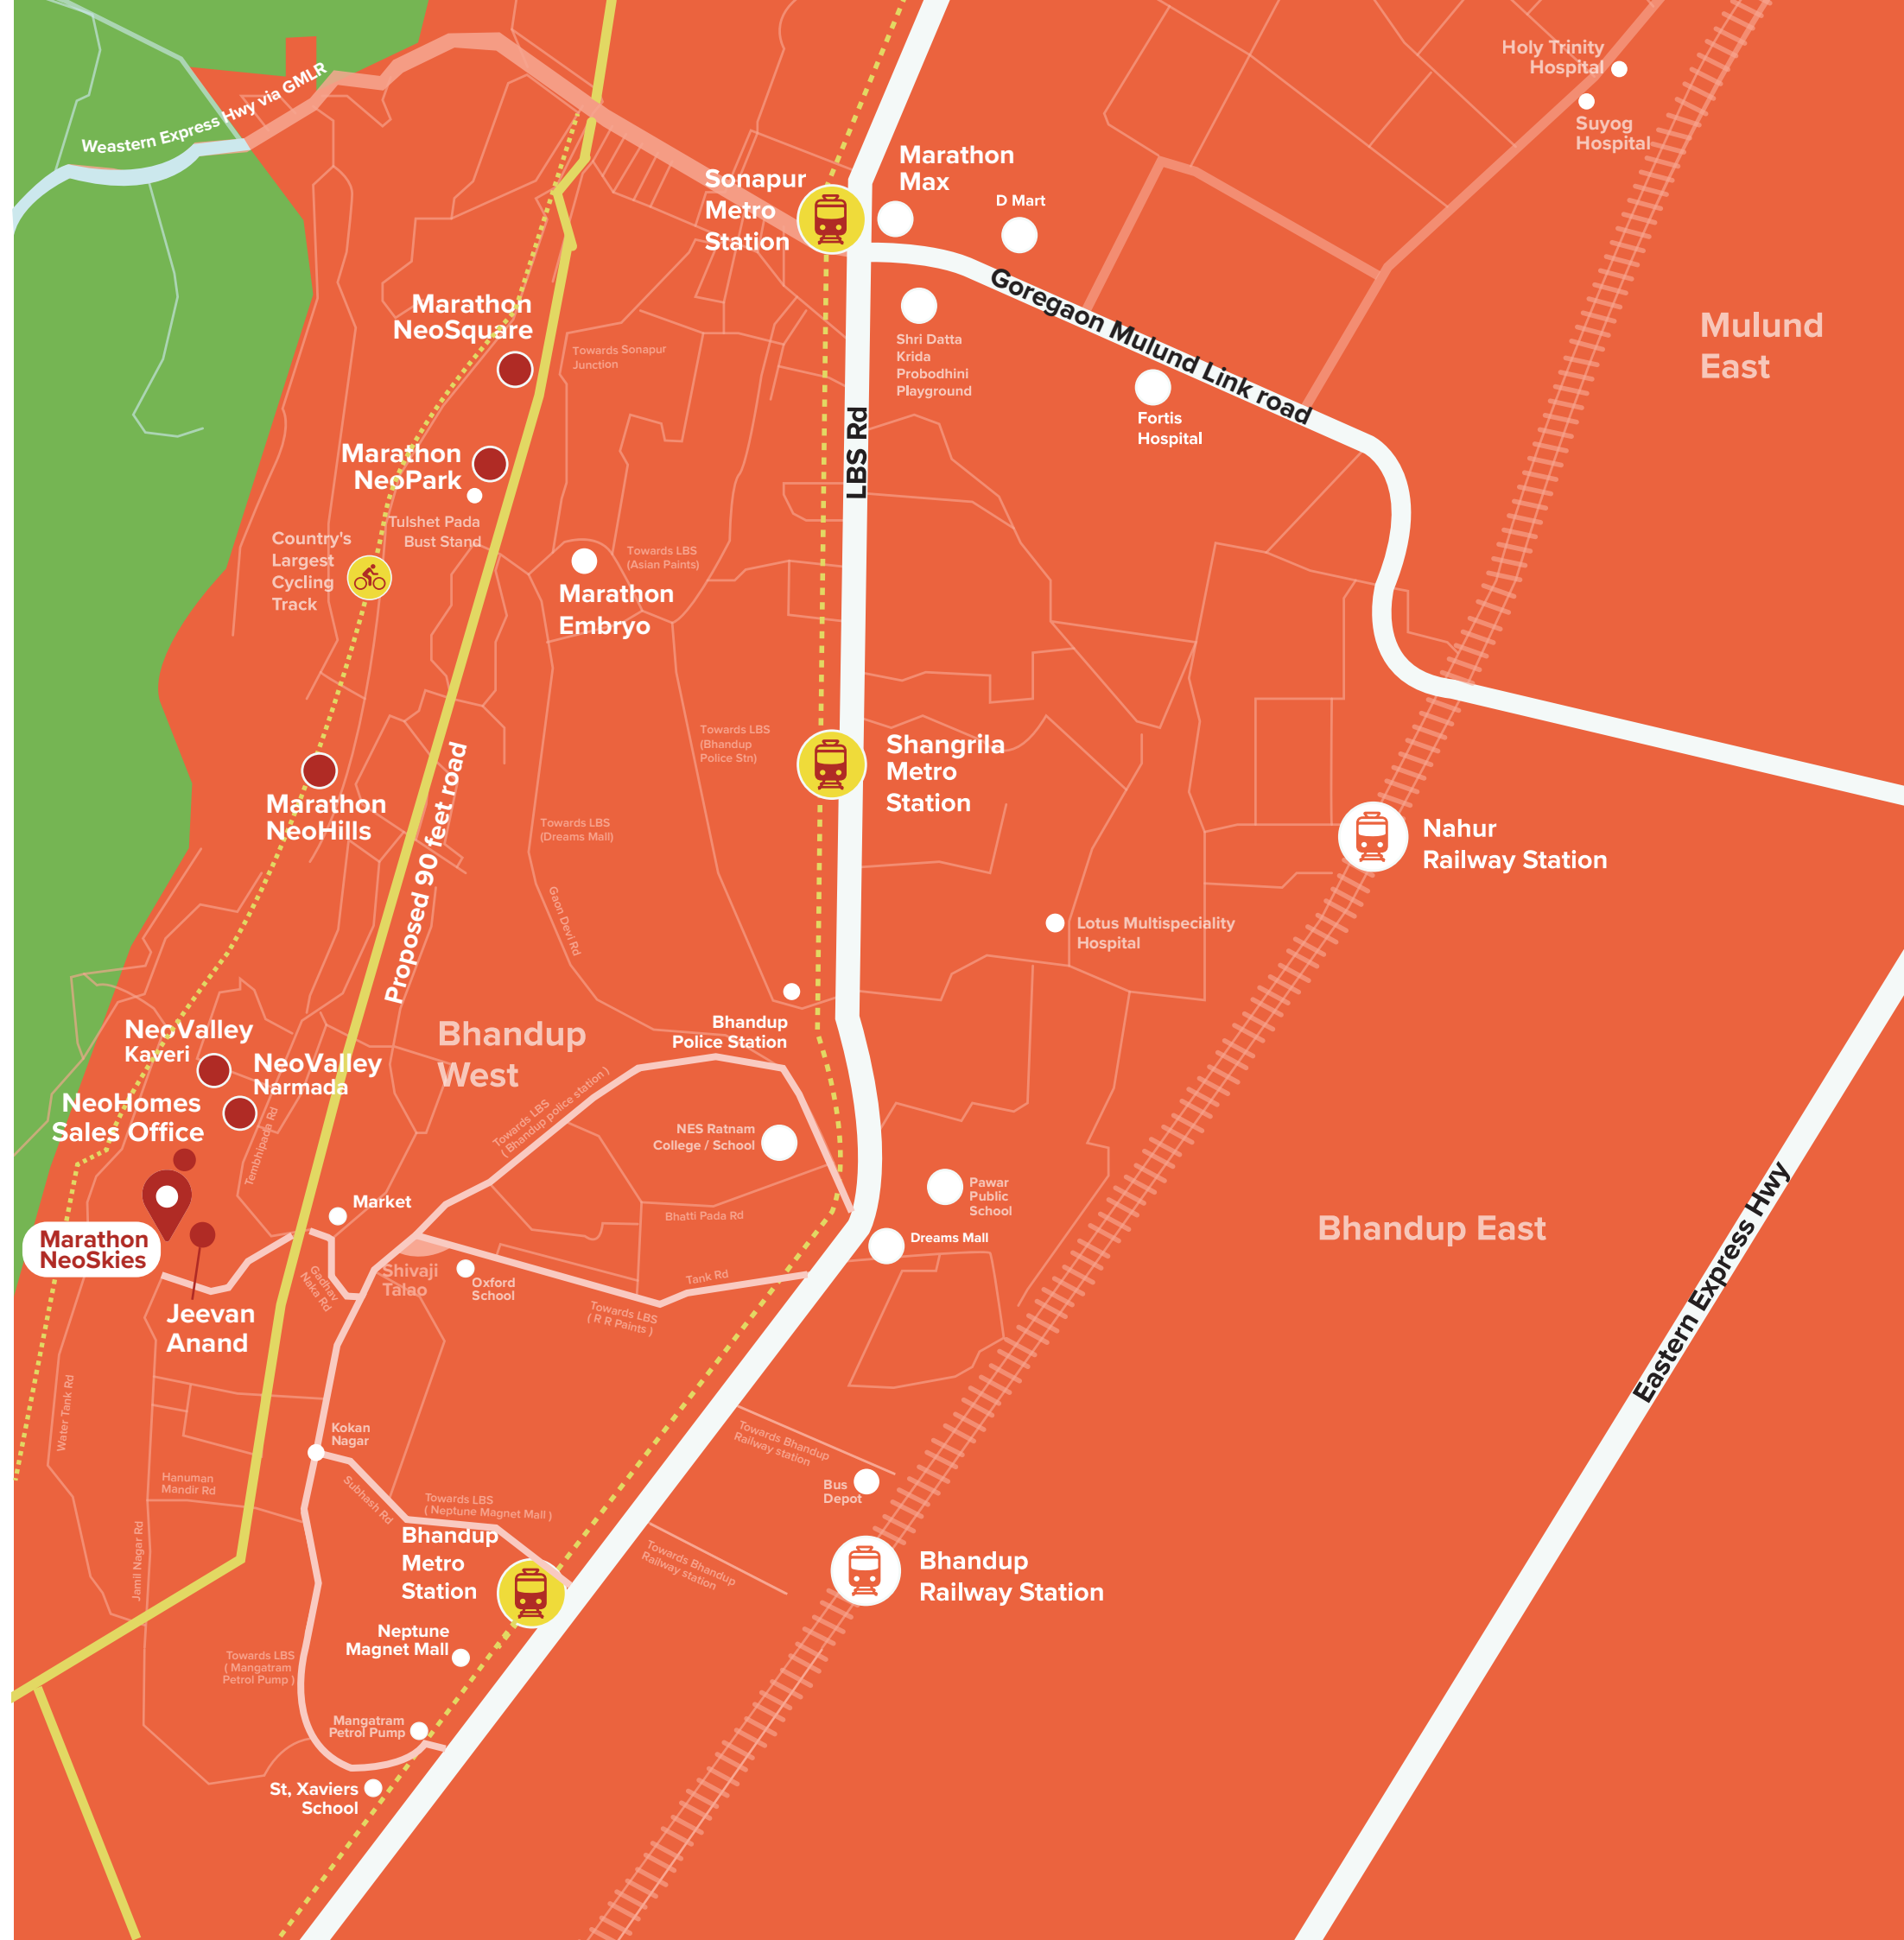

New road development

Road connectivity is set to improve with the proposed 90 feet road and new road widening sanctions as per the new Development Plan.

Country's largest cycling track

A 39 km cycling track from Mulund to Wadala has been proposed, with the Mulund leg to open from mid 2019.

Presenting NeoSkies

The first building under the NeoHomes umbrella, NeoSkies is a stunning new tower offering superbly designed smart residences with optimal space usage.

NeoSkies

MAHA RERA registration no. - P51800018106

Utkarsh Nagar, Bhandup (W)

Typical Plans

These plans may vary by +/- 3% and are subject to changes. The building is proposed till 23 floor and floors 8 & 15 are refuge floors.

Smart Floor Plans

We have designed the residences to give you a great living experience. The rooms have large windows that lift your living experience to a different level and flood the home with natural light. The floor plans optimize space usage and the design allows for multiple possible furniture layouts and usage options. Find the perfect fit for your needs.

1 BHK - 323 sqft
RERA carpet area

Studio - 197 sqft
RERA carpet area

Suggested Smart Furniture

Here are some smart furniture options that can help you make the most of the space. We have shown some suggested furniture layouts using this furniture in later sections.

Sofa Cum Bed & Murphy Bed

Sofa cum beds are ultimate multi-utility space savers - use as a couch during the day, or as a queen sized bed or also as two single beds during the night. Also provides a lot of storage.

Murphy beds are pull down beds which remain hidden from sight during the day and serves as a comfortable sleeping space at night - a huge space saver.

Foldable or convertible tables

Folding tables save a lot of space. Whenever you need a quiet corner to study or work, you can just pull it up to create a study table.

You could even get a coffee table that converts into a dining table for upto 4 people when you pull up the sides.

Stackable Chairs/Stools

Stackable stools are very helpful in small spaces. Add extra seating as per your need when you have guests over.

Studio

Perfect sized homes for young families. With a compact kitchen and provision for storage space in the bedroom, the Neo Smart Studio can easily accommodate 3 adults.

The Smart Studio offers multiple furniture layout possibilities. The space can be designed for a couple, a couple with a child or even upto 3 adults. The apartment has provision for a lot of storage space and even has a loft. The space looks large due to the large french windows that offer good views, plenty of natural light and ventilation.

Studio 1 BHK
197 sqft

All furniture, items, electronic goods, and other furnishings shown in the images are for representation purpose only. The developer shall not be required to provide any furniture, items, goods amenities etc as displayed in the pictures

Studio - Smart Layout 1

Studio - Smart Layout 2

Day Mode

During the day, the apartment is a perfect living room with a cozy couch setup. Watch TV, hosts guests and relax with your family.

Day Mode

By flipping the first furniture layout, you can create storage space inside the bedroom and opposite wall.

Study and Dining Mode

With the use of smart furniture, you can create a dining table setup and even add study table. Stackable stools or chairs help save space. You can even create more kitchen counter space.

Study and Dining Mode

Again, the use of smart furniture can create the possibility of having a comfortable dining and study mode.

Night Mode

By installing a sliding partition and extending the sofa cum bed, you can create a spacious, private bedroom with an attached toilet, as well as a cozy nook for a murphy bed or mattress outside the bedroom.

Night Mode

By installing a sliding partition, a murphy bed and a sofa cum bed, you can create a private bedroom and a cozy nook for 2 children outside. You could even install a shutter for the kitchen

1 BHK

The 1 BHK at Neohomes is designed with the urban Mumbaikar in mind. With the convenience of a master bedroom and 2 toilets, it can serve as the perfect home for even up to 5 people. Large windows in both the living room and bedroom ensure that your home is always well lit and ventilated.

1 BHK
323 sqft

All furniture, items, electronic goods, and other furnishings shown in the images are for representation purpose only. The developer shall not be required to provide any furniture, items, goods amenities etc as displayed in the pictures

1 BHK - Smart Layout 1

Day Mode

This is a typical furniture layout for a family. A living room setup around the TV and a dining table. The use of smart furniture can create even more space.

Study and Dining Mode

The coffee table expands to become a dining area for 4. The folded study desk comes out from below the storage to create a cosy nook for reading.

Night Mode

The sofa expands to become a bed for two. The pull down bed from below the storage creates additional sleeping space. The stackable chairs and coffee table can be pushed to the sides to create more room.

1 BHK - Smart Layout 2

Day Mode

Typical furniture set up which utilises the concept of open kitchen to create more space in the room.

Study and Dining Mode

The kitchen counter doubles down as a dining area with space saving stackable chairs. It also has space for a study corner, with the pull up table.

Night Mode

Similar to option 1, the Sofa expands to provide sleeping quarters for 2 and the Murphy bed provides another additional sleeping area.

- All toilets shall have concealed plumbing with ISI quality fittings
- CP & sanitary fittings
- All the windows powder coated aluminium
- All door frames - red merandi ,room shutter
- CCTV security system shall be provided to screen visitor at ground floor
- Circuit breaker shall be provided in place of fuse

Superb construction

Marathon projects are built using cutting edge construction technology that ensure our structures are rock solid, leak proof and built to last.

53 years of expertise

With our leadership team having decades of engineering and construction expertise, we have been pioneers of many best practices in the industry. We do not outsource our construction and our engineers retain full control over construction quality.

Rock solid construction

The revolutionary MIVAN formwork technology allows for simplified and faster construction activity with an excellent, smooth concrete finish. It helps to reduce the time taken for construction while creating rock-solid, leak-resistant structures.

Micro-managed quality

Our engineers go right till the source of the raw material to ensure that quality is uncompromised. An on-site material testing lab ensures the highest levels of quality control. We used only premium finishes in your homes and use premium, polymer paints that do not fade and last for a long time.

Safety first

We deploy high quality CCTV, fire fighting & electrical safety systems. We use multiple circuit breakers, low smoke hazard cables, elevator safety systems and more to ensure your safety. Our water tanks are also designed to minimise microorganism growth.

We are a Mumbai based real estate development company that has completed over 80 projects in the city. We are currently building several townships in the fastest growing neighborhoods, affordable housing projects, ultra-luxury skyscrapers, small offices and large business centers. Our projects are spread across the Mumbai Metropolitan Region (MMR)

Our story

Our Origins

1922

Our origins date back to 1922 when our patriarch played a key role in creating the masterplan for 550 acres of the suburb of Mulund - his role in the planning has resulted in Mulund being one of the best planned suburbs today.

1969

Marathon Group was formally established with our headquarters in Mulund.

70's - 90's

We played a key role in shaping the Mulund skyline through the next

Poonam, built in **1972**, was the first building with an elevator in Mulund.

Marathon Antariksh was the first high rise in Mulund.

RITA
APARTMENTS
1979

TIRUPATI &
BALAJI
1982

JUPITER-
VENUS
1985

90's - 00's

We witnessed exponential growth starting from the 90's by venturing into new locations like Lower Parel and Panvel and new categories like townships and affordable housing

We ventured into affordable housing with the award winning Marathon Nagari township at Badlapur.

Our flagship commercial project, Marathon Futurex at Lower Parel opened in 2010. Futurex is a landmark in the city & houses some of the finest international & national brands.

We recognised the superb potential of Panvel and launched our first premium township project Marathon Nexzone. It was also the first project in Mumbai to offer e-registration of property.

1999

10's - Present

We launched two more large township projects at Dombivli - Nextown and Nexworld.

Launched Monte South at Byculla, a joint venture with Adani Realty - one of the most luxurious projects in South Mumbai.

We ventured into the education space with the revolutionary NEXT School at Mulund W. NEXT is India's 1st Big Picture Learning school.

We launched NeoHomes - a new generation of urban homes at Bhandup W, that offers the average Mumbaikar the chance to own a home in the city.

Ongoing Projects

We are currently building several townships in the fastest growing neighborhoods, affordable housing projects, ultra-luxury skyscrapers, small offices and large business centers, with projects spread across the Mumbai Metropolitan Region (MMR).
